Bronze Sponsor of ATMOsphere Europe 2018

We are proud to announce our **Bronze Sponsorship** of the 9th Edition of **ATMOsphere Europe**, the 3-day conference of HVAC&R professionals that will be held on **19 -21 November 2018 in Italy**, in the splendid Garda Lake.

Over 400 industry experts will attend the forum, focused on latest innovations and business opportunities in natural refrigerants applications for HVAC&R industry.

Our aim is to improve efficiency and to maximize energy savings and we look forward to sharing our experience in design and construction of **Propane R290** chillers.

<http://www.atmo.org>

" Our mission for the future is to become a market leader in the construction of R290 chillers."

CEO EUROKLIMAT
